MISSION OF CAMP BOGGY CREEK

To enrich the lives of children who have chronic or life threatening illnesses by creating camping experiences that are memorable, exciting, fun, empowering, physically safe and medically sound.

BOGGY BLURB

At Camp Boggy Creek children whose lives have been a series of medical procedures and hospital stays are transformed into just “kids.” They have a chance to be with others coping with the same illness or condition and realize that they are not alone.

JACQUELINE KARRH 6/23/99-10/2/08

Jacqueline was a beautiful and brave little girl with an incredible spirit. Born in Boca Raton, Jacqueline lived in Delray Beach and then Palm City. She faced multiple surgeries and physical challenges throughout her life. Camp Boggy Creek was her favorite escape from hospitals and doctors’ offices. No lab work, no surgeries, no worries. Just friends, fun and lots of love. We miss you Jacqueline!

HOW CAMP BOGGY CREEK BEGAN

Actor and philanthropist Paul Newman dreamed of opening a camp for children with serious medical conditions. His dream became a reality in the fall of 1988 when he founded The Hole in the Wall Gang Camp in northeastern Connecticut. This wondrous place became the starting point for what is now a global family of camps which includes Camp Boggy Creek, Florida’s camp. Tampa’s General Norman Schwarzkopf is one of the founders of Boggy Creek.
